

# VOLUNTEERS NEEDED!

Meissner Nordic is a community based organization — for the community, by the community. We depend on our volunteers to create the activities and community that we have all grown to love.

To volunteer please visit [meissnernordic.org](http://meissnernordic.org) or contact our Volunteer Coordinator at [operations@meissnernordic.org](mailto:operations@meissnernordic.org)

## TRAIL HOSTS

Are needed to work weekends and during events to provide a point of contact for visitors and serving as ambassadors.

In addition to answering questions about the trails, parking, rules and etiquette, hosts will relay visitor feedback to the board and educate users on the value of supporting our organization.

## TRAIL MAINTENANCE

Workers are needed in the fall and throughout the season to help keep our trails clear and safe.

## SKI EDUCATION & EVENTS

We are always looking for volunteers to assist new skiers and to lend a hand at our numerous special events throughout the ski season. Have a skill you think may be useful? Contact us!
